## Register Now for EV Infrastructure Workshop at 2018 Washington Auto Show

The Metropolitan Washington Council of Government's Climate, Energy & Environment Policy Committee plans to hold a special two-hour meeting at the Washington Convention Center during the Washington Auto Show to review EV infrastructure policy considerations for the DMV region. Members of the Committee, including GWRCCC's Ira Dorfman, will exchange ideas with expert panelists during the session. GWRCCC stakeholders and Clean Cities coordinators from the Mid-Atlantic and Northeast are invited to participate.

The Committee meeting will be held at 3:00 pm on Thursday, January 25 in Room 207 B during the Auto Show's preview day. Attendees will be provided a sneak peek of the Auto Show at the conclusion of the session. The Auto Show will not open to the public until Friday, January 26. Registration is free.

## MobilityTalks International

If you are planning to join us at the Auto Show on January 25, you may also want to consider attending MobilityTalks International on January 23-24. Click [here](#) for program and registration information.

MobilityTalks International® is a forum designed for governments from around the world to exchange ideas on best practices related to the emerging trends in transportation surrounding

connected and autonomous vehicles. The changing landscape of transportation presents lawmakers and regulators with unique challenges and opportunities that can be more effectively addressed through partnership and collaboration.

Please note that there is a cost associated with your Mobility Talks registration.

## Register for the 2018 Energy Independence Summit

Energy Independence Summit 2018 is the nation's premier clean transportation policy summit. It provides a unique opportunity for Clean Cities Coalitions and leaders in the clean transportation industry to network and build partnerships with each other, and with key Congressional and Administration policymakers in Washington, DC. Energy Independence Summit 2018 will take place at the attractive Renaissance Dupont Circle Hotel in downtown Washington, DC on February 11-14.

Hundreds of clean transportation leaders will be in D.C. for the 2018 SUMMIT- we hope you will join the staff of GWRCCC there.

## Attention Fleet Operators: Please Complete and Return the 2017 Green Fleet Survey

Did your organization take steps to reduce its petroleum consumption during 2017? Please complete and return the 2017 Green Fleet Survey that you will receive the week of January 8th.

Questions will include your use of biodiesel, E-85, natural gas or propane. Have you employed any idle-reduction or trip-reduction policies in effect? Did you install an EV charging station and/or another propane, natural gas, E-85 or biodiesel fueling location? The Greater Washington Region Clean Cities Coalition needs your help in gathering and reporting this data for the Annual Report we are required to file with the U.S. Department of Energy.

---

## Please Help Support GWRCCC: Pay Your 2018 Membership Dues Now!

Your continued support of the Greater Washington Region Clean Cities Coalition is greatly appreciated and urgently needed to support our ongoing work. If you were not a 2017 stakeholder, please consider becoming one; current stakeholders, please consider renewing at a higher membership level. Information and benefits of membership can be found by clicking [here](#) . Invoice renewals have been sent to all current stakeholders.

***The staff of GWRCCC wishes everyone a healthy, prosperous and green 2018!***
